MAYOR ROOP'S MESSAGE

I want to express my gratitude to everyone who had a hand in making our Memorial Day Celebration a tremendous success. The celebration included honoring those Americans who have paid the ultimate sacrifice serving our country and recognizing the 150th Anniversary of the Battle of Gettysburg. Jim Getty, portraying President Abraham Lincoln truly made the celebration a day to remember.

By the time you have read this newsletter, six members from our community will have been inducted into the Maryland Municipal League (MML) Hall of Fame. MML's Hall of Fame honors current or former municipal officials (living or deceased) who served 20 years or more as a municipal elected official. Those being inducted into the Hall of Fame include former Mayor Randall Spoerlien, former Councilmen Walter Harman, Russell Lambert, Kenneth Grimes, H. Cassell Roop and myself serving both as Councilman and Mayor. We will be honoring these individuals at the July 3rd town council meeting. I encourage you to attend the meeting to help pay tribute to their many years of service and dedication to the Town of New Windsor.

Update on the Lions Club Park: Playground Specialists will begin installing the new playground surface and equipment in the middle of July. The project is expected to take two to three weeks. The majority of the funding for this project came through Program Open Space and the Community Parks and Playgrounds Program with very little match coming from the town. We are planning a ribbon cutting ceremony to open the playground. I hope to see you; your children and grandchildren come out and enjoy the new playground.

I hope you and your family have a safe and fun filled summer.

I like to see a man proud of the place in which he lives. I like to see a man live so that his place will be proud of him.

Abraham Lincoln

As time marches on, people and businesses and some buildings fade into oblivion. New residents moving here from other counties only know what businesses exist today. Let us take you back...

DID YOU KNOW that in the early 1900's there were several general stores, butcher shops, creameries, mills, etc. Now located at 105 Church Street is Belisimo's Pizzeria. Do you know what business was there before the pizza shops? (1900-1960). If you have the answer to this question, contact Ginny Ashmore, New Windsor Heritage Committee, to obtain a small prize from the Museum.

HALL OF FAME Nominations are in. They are being rated and winners will be announced in September. A Hall of Fame Dinner is being planned for November 23, 213 at Windsor Station to honor the winners and nominees. This event will be by dinner ticket only. Watch for upcoming details. New residents to New Windsor are encouraged to obtain tickets and come learn about historic individuals who helped New Windsor grow. We are celebrating our past. Come and join us.

THE SUPLHUR SPRING ARCHAEOLOGICAL DIG continues under the guidance of 6th grade social studies teacher, Ms. Lisa Larieri from New Windsor Middle School. A camp at the dig is planned for Monday, July 22 through Friday, July 26, from 10:00 am-3:00 pm each day. If you have a student who wishes to participate, school release forms must be signed by the parents and can be obtained by calling 410-259-0853. Hands-on experience for the students has been invaluable. Interesting artifacts were found during the dig last year.

THE FOUNTAIN GIFT SHOPPE at the New Windsor Heritage Museum, 207 Main Street has a new shipment of wonderful hand-thrown pottery reminiscent of the 1800's. Although replicas of old dishes, these are lead-free and dishwasher safe. WONDERFUL GIFT ITEMS!

Visit the Shoppe on Saturdays 9:00 am until 12:30 pm or call 410-635-2602 to make an appointment. Other gift items are also available.
